12:30 p.m. on Tuesday, November 1

2nd Floor Conference Room, 718 Huntington Ave

Han Bleichrodt, Ph.D.

Erasmus University

***Discounting Health and Money:
New Evidence Using A More
Robust Method***

An important question for research and policy is whether discounting depends on the outcome domain. In this paper we explore this question for health and money using the direct method, which can measure discounting without the need to make assumptions about utility.

Pizza will be served. Please RSVP to cbell@hsph.harvard.edu
