

Center for Health Decision Science • Harvard School of Public Health

Please join us for a Health Decision Science Seminar at

12:30 p.m. on Wednesday, November 12

2nd Floor Conference Room, 718 Huntington Ave

Tuba Tunçel

PhD Candidate Toulouse School of Economics, U of Toulouse

*Preferences for Life-Expectancy
Gains: Sooner or Later?*

Interventions that reduce mortality risk differ in the time period over which risk is reduced. We assess individuals' preferences over different scenarios of reductions in mortality risk. Using data from a survey of more than 1000 French residents, we find substantial heterogeneity across individuals' preferences.

Pizza will be served. Please RSVP to cbell@hsph.harvard.edu
